Membership Information

Established in

1941

The Guild of St. Francis Hospital

works to advance the mission of the region's largest center for specialty cardiac care and as such, its efforts are a direct link to the quality of health care available in our community. The Guild is one of the top income-producing auxiliaries in New York State and has been cited for its exemplary fundraising.

Become a Member

The Guild invites you to join its efforts as an active member. Simply complete and return the attached card and we'll introduce you to a wide range of opportunities for volunteering and meeting other Guild members.

As a Guild Member You Will Receive:

- A comprehensive event calendar and invitation to all Guild sponsored events.
- Notices of St. Francis Hospital fitness, prevention and community health and education programs.
- A subscription to the Hospital's newsletter.
- Exclusive invitation only access to the annual Guild membership Mass, meeting and luncheon held in December.
- A discount at the Hospital Gift Shop.
- Life members receive a membership card.

Guild History

Founded in 1941, The Guild was originally known as the St. Francis Cardiac Guild and St. Francis Hospital was still a small sanatorium for cardiac care, providing treatment and respite for children suffering from rheumatic fever. Thirteen women from the Manhasset, Port Washington and Roslyn areas organized as The Guild, vowing to assist the Hospital in its work. Today, The Guild membership spans Long Island and the surrounding areas with

over 450 members. Members are actively involved in hosting fundraising events and operating the Gift Shop located at St. Francis Hospital.

Fundraising Goals

As a major fund-raising auxiliary for the Hospital, The Guild has helped to finance projects including the development and growth of the Research Institute, the expansion of the Emergency Department, support for the Women's Center renovation, an operating room in the Ambulatory Surgery Center and a \$1 million gift to the Capital Campaign to expand the hospital. Most recently, The Guild has made a pledge toward the upcoming renovations of the Emergency Department.

Exciting Calendar of Events

Numerous fundraising events highlight The Guild's annual calendar. The year begins with the Heart to Heart Luncheon overlooking Manhasset Bay and featuring a physician guest speaker. In May, we welcome spring with fabulous entertainment at the annual Spring Luncheon sponsored by Americana Manhasset. The Fall Luncheon is an ever-changing event, from enjoying the horses at "A Day at the Races" at Belmont to hosting numerous guest speakers and honorees. A new venture is the annual Field of Honor, Thanks and Remembrance. American Flags, displayed on the Hospital's front lawn, bear names in honor of service personnel. During the holidays, contributors to the Tree of Lights remember and recognize those closest to their heart. In early December, we partner again with Americana Manhasset as a recipient of its Champions for Charity® holiday shopping fundraiser.
