

GOOD SAMARITAN
HOSPITAL FOUNDATION

Make a Difference Every Month

For nearly 60 years, Good Samaritan Hospital Medical Center has been dedicated to providing the very best in compassionate care close to home. Donating monthly ensures consistent support for this vital work and ensures that we can continue to meet the ever changing healthcare needs of our community and beyond. Your monthly gift is an investment in the health, happiness and wellbeing of your neighbors – even your very own family – and will make an impact on countless lives.

Donors who make a monthly commitment become a special part of the Good Sam family. Benefits include:

- Membership in our Monthly Giving Program
- The opportunity to honor or memorialize a loved one
- Acknowledgement annually on the Medical Center's main donor wall (to be unveiled in 2019)
- Invitation to a special Benefactor Reception held annually
- The deep satisfaction in knowing your gift is making a difference

At this time, the best way to support Good Sam monthly is with automatic online bill payment through your bank. This can be done simply through most banks by accessing your online account. Once there, set up a new payee as:

Good Samaritan Hospital Foundation
1000 Montauk Highway
West Islip, NY 11795

You will then be offered the opportunity to set up automatic monthly payments. Select this option if you intend to make monthly donations. If you need assistance or do not have access to your account online, this process can also be done directly at your local branch.

Please feel free to contact us with any questions you may have and be sure to alert us if you have committed to making a recurring gift.
